12233 NE 13 Court, North Maimi 33161  
561-255-2070 dennis@customfirebox.com

Stock No. 1615

This smooth like velvet limestone fireplace mantel reflects the revival of the Gothic tradition in the early 19th Century. The restrained Gothic arch of the opening unites the architectural cluster of the columns and the rectangular moulded panel above, typifying a form of design that developed in the 19th Century.

	Width	Height	Depth
